For many tax and financial planning isn't the most exciting subject. However, when you move countries or set up a business there are issues you really shouldn't ignore.

Go Matilda Accounting and Tax is a division of the highly regarded Go Matilda migration business that has been providing advice to thousands of migrants for the last 8 years.

Here are some of the areas where we can help:

 - renting out UK property
 - tax efficient disposals of investments
 - ongoing sources of UK income (pensions, dividends, etc)
- Transferring UK pension benefits to Australia
- Setting up a business in Australia, including advising on business structures used in Australia
- Winding up a UK business in a tax efficient manner
- Preparing UK and Australian Tax Returns
- Advising on the special tax status in Australia of temporary visaholders

With offices in the UK and Australia we are ideally placed to help with all aspects of your finances. And whenever possible our fees are fixed before you engage us.

Our Managing Director is a Chartered Accountant in the UK, and in Australia - and is a Registered Migration Agent.

Our other Director is a UK and Australian qualified tax advisor, and has years of experience assisting with pension transfers as well as taxation.

And we are friendly too - we are not what you might expect from a typical firm of Accountants!
